

Wet Soil Tolerant Plants

- Acorus - americanus*,
calamus, gramineus*
- Amorpha fruticosa*
- Amsonia*
- Aplos americana
- Aralia nudicaulis
- Aronia melanocarpa
- Aruncus
- Aster – lateriflorus, novae-angliae,
puniceus, umbellatus
- Astilbe
- Baccharis halimifolia*
- Betula populifolia
- Boltonia asteroides
- Callicarpa americana
- Caltha palustris
- Carex – bicknellii, brevior, bromoides,
cherokeensis, conica, flaccosperma,
mukingumensis, socialis, stricta
- Chasmanthium latifolium*
- Chelone
- Cimicifuga (Actaea)
- Clethra alnifolia*
- Collinsonia canadensis
- Deschampsia cespitosa*
- Elymus - canadensis, virginicus
- Equisetum
- Erigeron pulchellus
- Eupatorium – coelestinum, dubium,
fistulosum, fortunei, maculatum,
perfoliatum, purpureum, rugosum,
serotinum
- Fern species - Autumn, Cinnamon,
Dixie Wood, Goldie's Wood,
Interrupted, Japanese Beech, Lady,
Leatherwood, Limelight Lady,
Maidenhair, New York, Ostrich,
Parsley Leaf, Royal, Sensitive,
Tassel, Tokyo Wood
- Filipendula
- Helianthus angustifolius
- Hibiscus - coccineus,
moscheutos var. palustris*
- Ilex verticillata*
- Iris – fulva, prismatica*, x robusta,
sibirica*, versicolor*
- Juncus effusus*
- Leucothoe racemosa
- Liatris - pycnostachya, spicata
- Ligularia dentata
- Lindera benzoin
- Lobelia - cardinalis, siphilitica
- Luzula sylvatica
- Lyonia mariana
- Lythrum alatum
- Mertensia virginica
- Mimulus ringens
- Mitella diphylla
- Monarda didyma*
- Myrica - gale, pensylvanica*
- Panicum virgatum*
- Penstemon - calycosus, digitalis*
- Persicaria amplexicaulis
- Physostegia virginiana
- Pluchea odorata*
- Podophyllum peltatum
- Polemonium reptans
- Polygonatum biflorum
- Primula japonica
- Pycnanthemum - flexuosum, muticum,
tenuifolium, virginianum
- Rhexia virginica
- Rhododendron viscosum
- Rodgersia - pinnata, podophylla
- Rosa - palustris, virginiana*
- Rudbeckia - laciniata, submentosa, triloba
- Salix*
- Sambucus - canadensis, nigra, racemosa
- Sanguisorba
- Sarracenia
- Sisyrinchium - angustifolium, atlanticum*
- Solidago sempervirens*
- Spartina pectinata
- Spiraea- alba, tomentosa
- Thalictrum
- Tiarella cordifolia
- Trautvetteria carolinensis
- Triadenum virginicum
- Typha - angustifolia*, minima
- Vaccinium corymbosum*, macrocarpon
- Verbena hastata
- Vernonia noveboracensis
- Viburnum – dentatum, trilobum, *
- Zizia - aptera, aurea

* tolerates moderately brackish conditions
