

# Northeastern U.S. Native Plants

Acer pensylvanicum  
Achillea millefolium  
Acorus americanus  
Actaea pachypoda  
Adlumia fungosa  
Agastache nepetoides  
Agastache scophulariifolia  
Allium cernuum  
Ammophila breviligulata  
Amorpha fruticosa  
Anaphalis margaritacea  
Andropogon - gerardii,  
glomeratus, virginicus  
Anemone - canadensis, cylindrica  
Angelica atropurpurea  
Antennaria plantaginifolia  
Apios americana  
Aquilegia canadensis  
Aralia nudicaulis  
Arctostaphylos uva-ursi  
Arisaema - dracontium, triphyllum  
Aristida purpurascens  
Aronia melanocarpa  
Aruncus dioicus  
Asarum canadense  
Asclepias - exaltata, incarnata,  
purpurascens, syriaca, tuberosa,  
verticillata, viridiflora  
Aster - cordifolius, divaricatus  
dumosus, ericoides, herveyi, laevis,  
lateriflorus, linariifolius, macrophylla  
novae-angliae, novi-belgii,  
oblongifolius, patens, puniceus,  
spectabilis, umbellatus  
Baccharis halimifolia  
Baptisia - alba, australis  
tinctoria  
Betula populifolia  
Blephilia ciliata  
Boltonia asteroides  
Bouteloua curtipendula  
Calamagrostis canadensis  
Caltha palustris  
Carex - albicans, appalachica,  
bicknellii, brevior, bromoides  
eburnea, flaccosperma, grayi,  
laxiculmis, nigra, pensylvanica  
Carex (cont'd) - plantaginea, platyphylla,  
rosea, stricta, vulpinoidea, woodii  
Ceanothus americanus  
Cephalanthus occidentalis  
Chamaecrista fasciculata  
Chasmanthium laxum  
Chelone - glabra, obliqua  
Chrysopsis mariana  
Cimicifuga racemosa  
Clematis virginiana  
Clethra alnifolia  
Collinsonia canadensis  
Comptonia peregrina  
Cornus amomum  
Coreopsis - rosea, tinctoria, tripteris  
Crotalaria sagittalis  
Cunila origanoides  
Decodon verticillatus  
Deschampsia - cespitosa, flexuosa  
Dicentra - cucullaria, eximia  
Diervilla lonicera  
Dioscorea villosa  
Elymus - canadensis, virginicus  
Equisetum - hyemale, scirpoides  
Eragrostis spectabilis  
Erigeron - philadelphicus, pulchellus  
Eupatorium - altissimum  
coelestinum, dubium, fistulosum,  
hyssopifolium, maculatum, perfoliatum,  
purpureum, rugosum, serotinum  
Euphorbia corollata  
Euthamia caroliniana  
Fern species – Christmas, Cinnamon,  
Goldie's Wood, Hay-scented, Lady,  
Leatherwood, Maidenhair, Male,  
Netted Chain, New York, Ostrich, Royal,  
Sensitive  
Fragaria virginiana  
Gaultheria procumbens  
Gentiana andrewsii  
Geranium maculatum  
Geum - canadensis, triflorum  
Gillenia - stipulata, trifoliata  
Hamamelis virginiana  
Helenium - flexuosum, autumnale  
Helianthus - angustifolius, divaricatus,  
Heliopsis helianthoides

# Northeastern U.S. Native Plants

Heuchera americana  
Hibiscus moscheutos var. palustris  
Hypericum prolificum  
Ilex verticillata  
Iris - cristata, prismatica, robusta  
    setosa var. canadensis,  
    versicolor  
Juncus - effusus, greenii  
Lathyrus maritimus  
Leucothoe racemosa  
Liatris - scariosa var. novae-angliae, spicata  
Lilium 'Springville'  
Lindera benzoin  
Lobelia - cardinalis, siphilitica  
Lonicera sempervirens  
Lupinus perennis  
Luzula acuminata  
Lysimachia lanceolata var. purpurea  
Lythrum alatum  
Mertensia virginica  
Mitella diphylla  
Monarda - didyma, fistulosa,  
    media, punctata  
Muhlenbergia capillaris  
Myrica - gale, pensylvanica  
Opuntia humifusa  
Panicum - amarum, virgatum  
Parthenium integrifolium  
Parthenocissus quinquefolia  
Penstemon - calycosus, digitalis  
    hirsutus, pallidus  
Phlox - divaricata, maculata,  
    paniculata, subulata  
Physostegia virginiana  
Pluchea odorata  
Podophyllum peltatum  
Polemonium reptans  
Polygonatum biflorum  
Potentilla tridentata  
Primula meadia  
Prunus maritima  
Ptelea trifoliata  
Pycnanthemum - muticum,  
    tenuifolium, virginianum  
Rhexia virginica  
Rhododendron viscosum  
Rhus - aromatica, copallinum, glabra  
Rosa - palustris, virginiana  
Rubus - occidentalis, odoratus  
Rudbeckia - hirta, laciniata, triloba  
Salvia lyrata  
Sambucus - canadensis, racemosa  
Sanguisorba canadensis  
Sarracenia purpurea  
Schizachyrium scoparium  
Scutellaria - incana, serrata  
Sedum ternatum  
Selaginella apoda  
Senecio aureus  
Silene caroliniana  
Sisyrinchium - angustifolium,  
    atlanticum  
Solidago - bicolor, caesia, flexicaulis,  
    juncea, nemoralis, odora, puberula,  
    rugosa, sempervirens, speciosa  
Sorghastrum nutans  
Spartina pectinata  
Spiraea - alba, tomentosa  
Sporobolus heterolepis  
Teucrium canadense  
Thalictrum - dasycarpum, dioicum,  
    pubescens  
Tiarella - cordifolia, wherryi  
Tradescantia \*  
Triadenum virginicum  
Trichostema  
Typha angustifolia  
Uvularia grandiflora  
Vaccinium - angustifolium,  
    corymbosum, macrocarpon  
Verbena - canadensis, hastata  
Vernonia noveboracensis  
Veronicastrum virginicum  
Viburnum - dentatum, prunifolium,  
    trilobum  
Viola - labradorica, pedata, sororia  
Waldsteinea fragarioides  
Wisteria frutescens  
Xanthorhiza simplicissima  
Zizia - aptera, aurea

\* Some species
