

# Wet Soil Tolerant Plants

- Acorus - americanus\*, calamus, gramineus\*  
Amorpha fruticosa\*  
Amsonia\*  
Angelica atropurpurea  
Apios americana  
Aralia nudicaulis  
Aronia melanocarpa  
Aruncus  
Aster – lateriflorus, novae-angliae,  
    novi-belgi, puniceus, umbellatus  
Astilbe  
Baccharis halimifolia\*  
Betula populifolia  
Boltonia asteroides  
Callicarpa americana  
Caltha palustris  
Carex – bicknellii, brevior, bromoides,  
    cherokeensis, conica, flaccosperma,  
    mukingumensis, socialis, stricta,  
    vulpinoidea, woodii  
Chasmanthium latifolium\*, laxum  
Chelone  
Cimicifuga (Actaea)  
Clethra alnifolia\*  
Collinsonia canadensis  
Cornus amomum  
Decodon verticillatus  
Deschampsia cespitosa\*  
Elymus - canadensis, virginicus  
Equisetum  
Erigeron - philadelphicus, pulchellus  
Eupatorium – coelestinum, dubium,  
    fistulosum, maculatum, perfoliatum,  
    purpureum, rugosum,  
Fern species - Autumn, Cinnamon,  
    Dixie Wood, Goldie's Wood, Japanese-  
    Beech, Lady, Leatherwood, Limelight-  
    Lady, Maidenhair, Netted Chain,  
    New York, Ostrich, Royal, Sensitive,  
    Tassel, Tokyo Wood  
Filipendula  
Helianthus angustifolius  
Hibiscus - coccineus,  
    moscheutos var. palustris\*  
Ilex verticillata\*  
Iris – fulva, prismatica\*, x robusta,  
    sibirica\*, versicolor\*  
Juncus effusus\*  
Leucothoe racemosa  
Liatris - pycnostachya, spicata  
Ligularia dentata  
Lindera benzoin  
Lobelia - cardinalis, siphilitica  
Luzula sylvatica  
Lythrum alatum  
Mertensia virginica  
Monarda didyma\*  
Myrica - gale, pensylvanica\*  
Panicum virgatum\*  
Penstemon - calycosus  
Persicaria amplexicaulis  
Pluchea odorata\*  
Podophyllum peltatum  
Polemonium reptans  
Polygonatum biflorum  
Primula japonica  
Pycnanthemum - flexuosum, muticum,  
    tenuifolium, virginianum  
Rhexia virginica  
Rhododendron viscosum  
Rodgersia - pinnata,  
Rosa - palustris, virginiana\*  
Rudbeckia - laciniata, subtomentosa, triloba  
Salix\*  
Sambucus - canadensis, nigra, racemosa  
Sanguisorba  
Sarracenia  
Senecio aureus  
Sisyrinchium - angustifolium, atlanticum\*  
Solidago sempervirens\*  
Spartina pectinata  
Spiraea- alba, tomentosa  
Thalictrum  
Tiarella cordifolia  
Trautvetteria caroliniensis  
Triadenum virginicum  
Typha - angustifolia\*, minima  
Vaccinium corymbosum\*, macrocarpon  
Verbena hastata  
Vernonia noveboracensis  
Viburnum – dentatum, opulus  
Viola sororia  
Zizia - aptera, aurea

\* tolerates moderately brackish conditions
